

BroadAcre is the foliar companion to Ferti-Tech Seed Enhancer and a Broad Spectrum Nutritional package for continued Optimal Growth. Fast Penetrating and High in Phosphorus, BroadAcre ensures the most productive seed formation stages are well fed with a very wide array of essential nutrition. Use BroadAcre for Early to Mid Foliar Stages when soil constraints and deficiencies of Nutrition are most likely to set a Yield Limit. Give the Emerging Crop a Five Star Buffet of Essential Nutrition with Ferti-Tech BroadAcre.

**BroadAcre™ Foliar is compatible with many Ferti-Tech Trace Minerals, UAN and other Liquid N Fertilizers**

**High Phosphorus** for Growth, Yield, Stronger Root Formation, Energy and Respiration. Resistance to pests and disease.

**Sulphur and Manganese** (supporting P) improving chlorophyll production, CO<sub>2</sub> synthesis, Root Growth and Sugar Build. Uptake of elements, activate enzyme and amino acid systems and specifically promote P and N uptake. Provides for Optimal Seed Formation.

**Potassium** for growth, enzyme, protein and sugar synthesis. Leaf Stomata function and water efficiency.

**Trace Copper** for Protein Synthesizing, Stem Health and Strengthening. Proven fungal disease fighter.

**Zinc** to ensure Optimal Growth Hormone Stimulation, Sugar Production, Protein conversion and Internal Water Holding Ability.

**Magnesium** for improved synthesis of amino acids, P transfer, enzyme formation and nutrition uptake.

**Molybdenum** for Improved Nitrogen Efficiency, Conversion and Ammonium Uptake.

**Boron** for increased Calcium and Nitrogen uptake and promoting better pollination.

**Cobalt and Iron** for strengthening, oxygen flow, chlorophyll and nutrient flow.

#### Application Rate

**Cereals** and Sorghum, Rice, Maize & Sweet Corn Apply 2-10L  
**Canola** – Linseed & Sunflower Apply 2L per ton of expected yield.  
**Legumes** – Lupins, Beans, Lentils, Peas, Chickpeas & Soy Apply 2L per ton of expected yield.

## Ferti-**BroadAcre™** Complete Foliar Fertiliser

Chelated with Potassium Fulvate and Kelp-Seaweed Concentrates for  
**SUPERIOR LEAF PENETRATION**

TYPICAL ANALYSIS	g/L	% w/v
Nitrogen (N)	74	7.4
Phosphorus (P)	120	12
Potassium (K)	28	2.8
Sulphur (S)	28	2.8
Magnesium (Mg)	19	1.9
Manganese (Mn)	26	2.65
Zinc (Zn)	20	2.0
Copper (Cu)	3.3	0.33
Iron (Fe)	3.3	0.33
Boron (B)	3.5	0.35
Molybdenum (Mo)	0.38	0.038
Cobalt (Co)	0.20	0.020

Also contains Natural Chelators, Auxin Growth Stimulants, Amino Acids, Sea Minerals and Micro-Nutrients for Maximum Nutritional Stimulation

#### AGITATE DRUM WELL BEFORE USE

DO NOT Mix with other foliars, pesticides, etc without prior testing for compatibility.

Keep in Cool, Dry Storage

**Broadacre is available in**

**20Lt, 200Lt Drum and 1000Lt Shuttle.**
